Sponsor a Church Voter Registration Drive

"Together we can make a difference."

Thank you very much for your consideration to host a legal, non-partisan voter registration drive in your church during your God and Country Service. This is a great opportunity to ensure that church members are registered to vote.

According to Christian Coalition polling data, only 50% of all church members are actually registered to vote. We are proud to work along with churches across this great state, to actively take steps to change this situation. Our goal is to register Christians to vote and empower them with the tools they need to make a positive change in Ohio. **If we simply register our church members to vote (which is legal) and educate them on issues and candidates, it is a fact we can win 80% of all elections.**

Attached is a detailed instruction sheet on how you can successfully host a legal, non-partisan Voter Registration Drive in your church. Please follow **every detail closely** in order to reap the maximum benefit of this effort.

Thank you so much and God Bless You!
